Visit Build for the Future online

Learn more about the New Resident Housing Incentive Program

"We are so glad we moved to Independence. The schools are wonderful at getting students and parents involved with not only school activities, but community events and activities as well. We also enjoy the amenities of a big city with the feel and convenience of places like our smaller home towns."
~ Jeff & Angie A.

Work with us!

- Top employment industries in the area: education, retail, health care, manufacturing, construction, transportation and finance
- **Growing industries** in the area: metals processing, food processing, plastics manufacturing and agricultural production research
- **Strong Infrastructure** for global-based business opportunities with great access along US Highway 20, close to I-380 and the Independence Municipal Airport
- Local area **job opportunities** are posted on the Independence Area Chamber job board at www.indycommerce.com/work/jobs. Browse through jobs or upload your resume today!
- Start or continue your education with classes available through the Hawkeye Community College facility in Independence

Visit the job board

"The decision to relocate our growing business and family from Minneapolis to Independence was one of the best decisions we've ever made. Indee is a great community to grow your business and family."

~ Brian & Jennifer E.

Play with us!

- Active Parks & Rec department with activities for all ages, city aquatic center and two beautiful golf courses.
- Riverwalk Park with river access, sidewalk paths, sand volleyball courts, horse shoe courts, basketball court and band shelter
- Home to the Independence Motor Speedway, a brand new Independence Public Library, the Heartland Acres Agribition Center museum and events center and more

"We are nearing six months since our move to Indee. In that time, we have encountered the warmest and kindest people through exciting and difficult times. The business owners in Indee are passionate about what they do and where they live - I love that. We think Indee is absolutely ideal!"

~ Steve & Beth D
